---

## PROFESSIONAL SUMMARY

---

**1999-Now, Assarai Engineering Firm (Architects, Engineers, Consultants and Planners) & Assarai GmbH. (Germany )** Chairman and founder of Assarai Engineering Firm (Architects, Engineers, Consultants and Planners) & Assarai GmbH. Which is one of the Pioneer Consultancy Companies in Jordan and in the Middle East.

The Company is one of the leading consultants in Renewable Energy and Green Buildings. It leads the projects taken under the international standards; and according to the FIDIC contracts in all of its projects.

Where, big and unique projects in the Middle East, United states and Germany had been designed, supervised and managed by the company; reaching a cost for more than \$500 million USD, in the last 5years.

**1992-2000, Member and the Executive Manager of the Royal Committee of prophets' and Companions' shrines in HKJ.**

During this period, I had managed the Committee established; upon a letter from his Majesty King Hussein. And supervised tenders, Architectural Competitions and construction of projects for the Shrines of Prophets and Companions' Shrines in Jordan.

As the executive manager & member of the Royal Committee; I was responsible for administrating and managing of all works that were done.

**2002-2005, Head of Administration Department in Awqaf Ministry.**

As the head of administration, my duties compromised of all management responsibilities & decisions, human resources affairs; in addition, to being a member of the tendering committee in the Awaqaf Ministry.
